

Delta Force Class of 2023 is now being selected. Please see the application below and consider giving the gift of great leadership to Delta County.

The objective of Delta Force is to identify participants with potential for community leadership; acquaint these leaders with community issues, resources and opportunities; increase the leadership skills of program participants; provide participants with opportunities to network and exchange ideas with each other and community leaders; assist participants in finding volunteer roles in the community; and encourage graduates to continue their involvement by participating in community service programs.

Delta Force is a series of nine full-day sessions covering such areas as education, social needs, personal skills, and key segments of our community. Sessions are typically scheduled for the 4th or last Thursday of each month. Each day is designed to be highly interactive and thought provoking. A typical day involves a combination of group discussions, field trips and presentations by respected local leaders.
